Dear Supervisor _____,

As a voter in Contra Costa from your district, I am distressed to hear that the current budget does not include funding for the Cooperative Extension (UCCE) office. I am a strong supporter of the Nutrition Education Program. The services the advisor and educators provide are essential to improving the health outcomes for all residents of Contra Costa County, especially those from low-income and disadvantaged backgrounds.

Please add a statement about your current work with our nutrition program advisor or educators. If you have collaborated with us in the past, briefly describe the association and benefits received.

This program is an extremely valuable resource, well utilized by many residents. You have my strongest support for Cooperative Extension and ask that you vote for continued funding to keep their programs in our county.

Signed,

_____.

Please use your letterhead and modify the sample as you see fit. If you are not a resident of Contra Costa, but work in the county, please modify the first sentence on the sample letter.
